

EXCLUDED OR REMOVED APPLICANT REQUEST FOR RECONSIDERATION

Under section 60851 of title 2 of the California Code of Regulations, if the Bureau of State Audits or the Applicant Review Panel decides to exclude or remove an applicant from the pool of applicants being considered for selection to the Citizens Redistricting Commission, the applicant may request reconsideration of the decision if the decision was the result of an error relating to:

- Having a conflict of interest;
- Failing to satisfy the eligibility requirements for serving on the commission; or
- Failing to comply with the procedural requirements of the application process.

To request reconsideration of the decision to exclude or remove you from the applicant pool because the decision was based on an error, as described above, please provide the following information and submit it to the Bureau of State Audits by e-mail, facsimile, or delivery to the address stated at the bottom of this form. This form must be received by the bureau no later than 10 days after the date of the notification that you were excluded or removed from the applicant pool.

Name: **Henry Sepulveda**

Date of the notice of exclusion or removal: 12 Feb 2010

Description of the error that caused the exclusion or removal (if the error involves a particular question on an application, identify the question in describing the error):

On Question 5f , I responded that I had previously served as a staff member to the California Legislature. I was a Senate staff member in 1997, over 12 years ago.

Description of the correct facts establishing that you should not have been excluded or removed (if the error involves a particular question on an application, state the correct answer to the question as it should have been entered):

In response to my answer to Question 5f, I was notified on or about 2/12/2010 that I was ineligible because I had previously been a legislative staff member. However, the notice indicated that ineligibility applied only if I had been a staff member in the past 10 years. Since my last period with the California Legislature was in 1997 (over 12 years ago), my application should qualify and I should be deemed eligible.

Description of any evidence or other information that supports the facts as you now state them:

Employment records of the California Legislature would establish that I was employed by California State Assembly (1989) and State Senate (1997).

If this request is being submitted more than 10 days after you were sent notice that were excluded or removed from the applicant pool, an explanation for why this request is being submitted late: **N/A**

I affirm, by signing or typing my name below, that the statements contained in this Request For Reconsideration are true and correct to the best of my knowledge.

Signature or typed name: **Henry Sepulveda** Date: **18 February 2010**
